## INSTRUCTIONS

**WHO MUST FILE.** Every nonprofit organization, volunteer fire company, or volunteer first-aid, rescue, ambulance, or emergency squad licensed to conduct lottery or raffle activity. A return is required for every tax period or portion thereof, from each organization holding a lottery/raffle license even when no tax may be due.

**WHEN AND WHERE TO FILE.** This return, properly signed, with a check payable to the Nebraska Department of Revenue for the balance reported on line 10 is considered timely filed if postmarked on or before the 30<sup>th</sup> day of the month following the end of the tax period covered by the return. Mail to the Nebraska Department of Revenue, Charitable Gaming Division, P.O. Box 94855, Lincoln, Nebraska 68509-4855.

**PREIDENTIFIED RETURN.** This return must be used by the licensed organization whose name is printed on it. If you have not received a preidentified return for a tax period, request a duplicate from the department. Do not file returns which are photocopies, returns for another tax period, or returns that are not preidentified. If your name or mailing address is not correct, mark through the incorrect information and plainly print the correct information.

**PENALTY AND INTEREST.** In the event that the return is not filed by the prescribed due date, a penalty will be assessed in the amount of ten percent of the tax not paid by the due date or \$25, whichever is greater. Interest on any unpaid tax will be assessed at the rate specified in section 45-104.01 of the Nebraska Revised Statutes, as amended, from the due date until payment is received. Failure to file and remit the tax may result in license suspension, cancellation, or revocation for noncompliance.

**VERIFICATION AND AUDIT.** Records to substantiate this return must be kept available for a period of at least three years following the date of filing the return.

### SPECIFIC INSTRUCTIONS

**LINE 4.** List the selling price for the purchase of a **single** lottery/raffle ticket. The lottery/raffle tax is to be calculated based on the number of tickets sold and given away multiplied by the cost of a **single** ticket. You cannot adjust the tax due based on tickets sold at a discounted price; for example, if a discount is offered for the purchase of multiple tickets, such as 3 tickets for \$12 instead of \$5 each (the cost of a single ticket), the 3 tickets sold for \$12 must be valued at \$5 each for tax calculation purposes.

**LINE 5.** Enter the total value of cash prizes awarded (or to be awarded if drawing has not been held yet).

Cash prizes include currency, coin, checks, savings bonds, and real estate. Savings bonds and real estate must be valued and listed at their purchase price. You must include all cash prizes being offered, even if such prizes were donated to your organization.

**LINE 6.** Enter the total fair market value of merchandise prizes awarded (or to be awarded if the drawing has not been held yet). Fair market value means the typical retail cost of the item when purchased through an arms-length transaction. You must include the value of all merchandise prizes being offered, even if such prizes were donated to your organization.

**LINE 7.** Lottery/raffle licensees are required to remit a two percent tax on the gross proceeds from each separate lottery exceeding \$1,000 and from each separate raffle exceeding \$5,000. A lottery with gross proceeds of \$1,000 or less is not subject to the tax. A raffle with gross proceeds of \$5,000 or less is not subject to the tax unless the combined gross proceeds of the raffles conducted during any calendar month exceed \$5,000.

**LINE 8.** Multiply line 7 by the state tax rate indicated. This is the amount of lottery/raffle tax due for the reporting period.

**LINE 9.** A balance due or credit resulting from a partial payment, mathematical or clerical error, penalty, or interest relating to prior returns will be entered in this space by the department. The amount of interest includes interest on unpaid tax through the due date of this return. If the amount due is paid before the due date, the interest will be recomputed and a credit will be given on your next return. If the amount entered has been satisfied by a previous remittance, it should be disregarded when computing the amount to remit on line 10. If a credit is shown, it may be applied to the current tax liability.

**LINE 10.** Attach a check made payable to the Nebraska Department of Revenue for the amount reported on line 10. Checks written to the Department of Revenue may be presented electronically.

**AUTHORIZED SIGNATURE.** This return must be signed by an organization officer, utilization of funds member, or other duly authorized individual. A person who is paid for preparing this return must also sign the return as a preparer.
